All depositions must be completed before the close of discovery. Interrogatories will be limited as set forth in the table above. Depositions will be limited as set forth in the table above. There shall be no deviations from this order without prior approval of the court upon good cause shown. Time limitations for depositions set forth in Rule 30(d)(1) apply to this case.
5. MOTIONS:
 - a. Non-dispositive motions shall be filed in accordance with W.D. Mich. LCivR. 7.3. They will be referred to a Magistrate Judge pursuant to 28 U.S.C. § 636(b)(1)(A). In accordance with 28 U.S.C. § 471, et seq., it is the policy of this Court to prohibit the consideration of discovery motions unless accompanied by a certification that the moving party has made a reasonable and good faith effort to reach agreement with opposing counsel on the matters set forth in the motion.
 - b. Dispositive motions shall be filed in accordance with W.D. Mich. LCivR 7.2 by the date set forth in the table above. If dispositive motions are based on supporting documents such as depositions or answers to interrogatories, only those excerpts which are relevant to the motion shall be filed. The case manager will notify counsel of the date for oral argument. **Pursuant to Administrative Order 07-026, one courtesy copy of all dispositive motion papers (including responses and replies) and all accompanying exhibits must be submitted directly to the judge's chambers on paper. The copy must be hand-delivered or sent via first class mail the same day the document is e-filed.**
 - c. The parties are strongly encouraged to file motions in limine at least fourteen (14) calendar days prior to the final pretrial conference, but in no event shall they be filed later than the date for the submission of the proposed Final Pretrial Order.

6. ALTERNATIVE DISPUTE RESOLUTION: No form of ADR will be ordered at this time.
7. SETTLEMENT CONFERENCE: The parties are under an ongoing obligation to engage in good faith settlement negotiations. A settlement conference has been scheduled before the magistrate judge as set forth above.
 - a. Persons Required to Attend. All parties and the attorneys who are to conduct the trial shall attend the settlement conference in person unless specifically excused by written motion and order (or otherwise directed) by the Court. W.D. Mich. LCivR 16.6. Where the party is not a natural person, a representative of the party with full settlement authority must attend. The person with settlement authority must come with authority to accept, without further contact with another person, the settlement demand of the opposing party. In addition, where a party is insured, a representative of the insurer who is authorized to negotiate and to settle the matter (within policy limits) up to the amount of the opposing parties' existing settlement demand shall also attend.
 - b. Settlement Letter to Opposing Party. A settlement conference is more likely to be productive if, before the conference, the parties have had a written exchange of their settlement proposals. Accordingly, at least fourteen (14) days prior to the settlement conference, plaintiff's counsel shall submit a written itemization of damages and settlement demand to defendant's counsel with a brief explanation of why such a settlement is appropriate. No later than seven (7) days prior to the settlement conference, defendant's counsel shall submit a written offer to plaintiff's counsel with a brief explanation of why such a settlement is appropriate. This may lead directly to a settlement. If settlement is not achieved, plaintiff's counsel shall deliver or e-mail copies of these letters to chambers no later than three (3) business days before the conference. Letters should be mailed, hand delivered, or e-mailed to berensmediation@miwd.uscourts.gov. Do not file copies of these letters in the Clerk's Office.
 - c. Confidential Settlement Letter to Court. In addition, three (3) business days before the conference, each party or their attorney shall submit to the chambers of Judge Sally J. Berens a confidential letter concerning settlement. Letters should be mailed, hand delivered, or e-mailed to berensmediation@miwd.uscourts.gov. A copy of this letter need not be provided to any other party. Do not file a copy of this letter in the Clerk's Office. All information in the settlement letter shall remain confidential and will not be disclosed to any other party without the approval of the writer. The confidential settlement letter shall set forth: (a) the name and title of the party representative who will be present at the settlement conference, with counsel's certification that the representative will have full authority to settle, without the need to consult with any other party; (b) a very brief explanation of the nature of the case, including an identification of any parties added or dismissed since the time of filing; (c) a history of settlement negotiations to date, including all offers, demands and responses; (d) the policy limits of any relevant insurance coverage; (e) the limits on settlement authority given to counsel by the client; (f) that party's suggestions concerning the most productive approach to settlement; (g) any other matter that counsel believes will improve the chances for settlement. Plaintiff shall also provide an estimated range of damages recoverable at trial and a brief analysis of the method(s) used for arriving at the estimate(s).
